DECLARATION OF CONFORMITY

As the manufacturer of LogTag® branded products, we, LogTag North America Inc, declare that the following products, when used as intended, comply with Part 15 of the FCC rules, CFR 47. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference; and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Model numbers of products covered by this declaration:

LT5GEO

Operational Conditions:

- (1) The device is not suitable for use by children.
- (2) The device is fitted with a SIM card in the factory, which must only be replaced with a SIM card approved by the manufacturer.
- (3) Firmware in the device must not be replaced unless specifically authorized by the manufacturer.
- (4) No end-user serviceable items are present inside the device. Disassembling, modifying or making any changes to the device, including but not limited to the device's firmware, without express approval by the manufacturer will render this certificate invalid and void your authority to operate the device.
- (5) The device is not approved for hand-held operation. The safe user distance, for RF exposure, is ≥ 20 cm.

Power output and frequency range:

Maximum radio output power in the utilized frequency band (703 MHz to 2170 MHz) is 33 dBm.

The product carries the FCC marking:

This document is issued under
the sole responsibility of:

LogTag North America Inc.
Lafayette, New Jersey
